

May 8, 2020

Greetings Pathways Families!

We sincerely hope you and your loved ones are healthy and finding ways to stay positive and safely connected. Amid all the change and uncertainty, we're absolutely thrilled to see so many students progressing well in their classes!

Here are some reminders and housekeeping items for the week:

- Daily distance learning appointments will continue for the remainder of the school year.
- We continue to be available to support students should they need to borrow a Chromebook. Contact your teacher if this applies to you.
- Teachers are continuing to reach out to confirm we have at least one working email address for all parents/guardians.
- Learning Period 10 will end on 5/20/20. All students should be working to complete at least 5 units.
- FAFSA and Naviance deadlines are approaching for students in all grades. Please make sure your or your child has communicated with their teacher about completing these mandatory tasks.
- All seniors were sent a Senior Exit Questionnaire this week that needs to be completed. Please ensure that they have access to these through their Pathways email.
- All students have access to Pathways gmail email accounts. Parents, please ensure your child knows how to log on. This is a very important communication tool. This is also where students can also access invitations to their daily scheduled appointment with their teachers!
- As always, Pathways is enrolling students. Accommodations can be made for remote orientation into our program. Reach out to any campus for inquiries! Voicemails are going to the Assistant Principal who will arrange for a return call as soon as possible.

Thank you for your continued support and engagement during these challenging times.

Our best wishes to your family,
Pathways In Education
